

Intro to site

Ever feel like the cookbooks **aren't enough**?
Has the line cook given you one too many
dish ideas that **went up in flames**? Worry not!

Chefcpice's is a platform for chefs like yourself
to connect and share recipes! Our strong
community cooks their hearts out to share
their ideas & recipes with people like
yourselves

One of our proudest implementations is a
twitter like feed from **Real chefs** around the
world!

Sort by food type, region, even specific
chef!
Click the link below to get started on
finding the recipe **just right for you!**

Explanation of Bounty page

Can't find what you need? Want an **Expert** to
draft up a dish to your liking?

We have implemented a **one of a kind** bounty
system for chefs! Detail your bounty with
types of food, restrictions, style, anything
you'd like!

Click the link below to **draft up a request** or
attempt to **take on your own!**
